Kingdom A & S

As you are aware, we will be hosting the Kingdom A & S event in May at our usual site in Charles City. This is where all sorts of arts and sciences can be researched, built/attempted/demonstrated, and learned from. We have strong interest from the equestrians to show off their A & S, something that is typically not at A & S on the horses themselves!

If you have an art or science that you have been working on, please feel free to submit an entry! It's a unique learning experience that should not be missed as an entrant.

I will be looking for volunteers to help out. Sofya has got the online form ready to go. The inn has been covered, but we will need to have workers at troll and sign-in tables. If you are entering A & S, we can work with your scheduled time.

Many hands make for easy work. I look forward to showing Heraldshill's hospitality to all of the Kingdom!

In service,
Brigida
